

# PURESAN® PURE GOLD GEL®

## HAND SANITISER

Puresan Pure Gold Gel can be used by anyone without fear of skin irritation. Comes in a convenient plane-sized 50ml Gel bottle and 1 L dispensers.

### Application

- Puresan Pure Gold Gel is a broad-spectrum germ killer that has excellent antibacterial properties.
- Because of its disinfecting properties, it is also an ideal SANITISER.
- Puresan Pure Gold Gel has been tested to kill 99.9% of harmful germs including E-coli.
- It is ideal for use as an all-in-one multi-purpose product as a general disinfectant and protector.
- Eliminates all known harmful bacteria and viral matter.
- Prevents cross infection.
- Puresan Pure Gold Gel can be safely used externally.
- Outstanding skin protection.
- Perfect travel companion for travel.
- Safe to use anywhere on your body, or on any surface.
